## 2006 Seed Catalog

Friedlein Produce  
31400 Lower Cedar Rd.  
Guttenberg, IA 52052

Mail To:

# Greetings,

This year our seed line is expanding as are our horizons. While you can still get our delicious cinnamon rolls and pies at the farmer's market you will also be able to purchase seeds and nursery products. With our new greenhouse installed this fall we are now able to offer you year-round produce as well as spring bedding plants. A bedding plant offerings catalog will be available in March.

Last year we only offered 35 varieties of vegetable seeds and no flower seeds. That will change this year. We now offer over 60 different varieties of vegetable seed and 13 varieties of flower seed. Each seed packet contains a zip-seal bag so the seeds can be used the next year as well. This also helps reduce seed loss and spilling.

Warranty: All seeds are as seen. If a seed variety fails to grow return to the address on the back of this seed catalog and we will replace it with another variety of your choice at no charge. \*Assuming the seeds are properly cared for.

Don't see the seed variety you are looking for? We can get it! Almost any fruit, vegetable, herb, or mushroom variety can be ordered through us. If you don't see what you want and would like us to find you an unlisted variety please call us at 563-252-3076. Happy Growing Season!

Brandon Friedlein  
Friedlein Seed and Nursery

## KEY

#46 = Catalog Order Number

1 oz. = Amount of seed in packet
